Good Morning Doris and Gary,

I hope that all well! This is just quick update to let you know that I will be leaving the Agency and stepping down as COR for this Task Order. Nick Witkowski (on the cc), our current alt-COR and an amazing person all-around will be taking over as COR. Please direct all correspondence to him going forward (I will be here for one more week). He is already able to pay our invoices so there will be no gap in payment coverage.

I sincerely thank you for the excellent working relationship we have had over these past few years and over multiple contracts and look forward to actually meeting you all at an upcoming TRB! (I'm headed to USACE so not too far 🤔)

Respectfully,

Luke Vermeulen
